

THE STUDY EMPLOYMENT OPPORTUNITIES

Founded in 1915, and recognized as one of Canada's premier schools, The Study is an independent girls' school, offering an enriched and stimulating bilingual curriculum to 360 students from Kindergarten to Grade 11. The development of character, self-confidence and independent thinking is actively fostered. A team of 75 dedicated teachers and administrators is committed to provide an outstanding education to each and every student. Excellence is pursued at every level, as is creative, challenging and supportive environment in which to work. The school is now accepting applications for 2010-2011 for the following teaching and administrative positions:

Univers social – in French
Arts plastiques – in French
Mathematics – in English
Physics and Robotics – in English
Assistant to the Junior and Middle School Directors
